## Assistant Quality Manager (m/f/d)

### Description:

We are looking for a skilled team player to join our Quality Team. The person in this highly visible role will drive quality system improvements to deliver the best parts possible to our customers, utilize root-cause analysis tools, and implement corrective and preventive actions with the overall goal of ensuring process and product consistent with established standards, and more! If this description fits your experience, skillset and interests, your job responsibilities to include:

- Support production and other internal processes, as well as customer needs.
- Maintain ISO 9001:2015 certification. Coordinate internal audits, assist internal auditors, and address non-conformances through corrective and preventive actions.
- Interface directly with customers and suppliers to resolve quality issues and improvement initiatives.
- Train employees on inspection techniques, containment procedures, and other pertinent work instructions.
- Report on quality metrics that impact business such as scrap, complaints, and Cost of Quality; analyze trends.
- Plan, coordinate and implement product control / inspection plans; maintain and improve current.
- Coordinate daily tasks and objectives of quality staff.
- Work with internal departments to strategically implement process changes and other projects.
- Champion and support continuous improvement initiatives and lean principles.
- Oversee measurement equipment, first article inspections, and gage calibration management.

### Qualifications:

- Familiarity with quality tools, statistics, lean principles, problem solving tools and other analytical methodology.
- Ability to communicate effectively across all levels of intracompany management, personnel and intercompany colleagues; also with customers, critical suppliers and other service providers.
- ISO 9000 certified lead auditor, or applicable auditing experience.
- Bachelor's Degree, CQE, or 5 years of Quality experience in a manufacturing environment.

### Benefits:

- Medical, Dental & Vision Insurance (DOH)
- Health Reimbursement Arrangement
- Flexible Spending Account
- Short & Long Term Disability
- 401k & Profit Sharing
- Tuition Reimbursement Program
- Paid Vacations & 10 Paid Holidays
- Life Insurance
