Immediate opening at H&T Battery Components Waterbury for a Maintenance Mechanic (2nd shift) (m/f/d)

Description:

We are looking for a safety-focused, self-motivated, skilled team player to join our Maintenance Team. The person in this 2nd Shift position will be tasked to repair and maintain building systems and equipment such as compressors, engines, motors, pneumatic tools, conveyor systems, cranes, forklifts and production machines and equipment. If this description fits your experience and skillset, your job responsibilities will include:

- Observe and troubleshoot mechanical devices; dismantle devices to remove defective parts; make simple repairs and recommend more extensive repair work through outside sources, as required. Inform supervisor of the need to order parts or to contract outside services.
- Make adjustments to devices and control instruments; test machine performance with qualified personnel; repair electrical equipment.
- Operate metalworking tools to make and repair parts; use brake and shear for metal fabrication. Use cutting torches and plasma cutter; weld parts and repair electrical wiring.
- Maintain Waste Water Treatment System following established procedures and ensuring all operations comply with current regulations.
- Perform regular inspections of machines, equipment and systems as required; lubricate and clean parts. Complete paperwork regarding preventative maintenance and repair of equipment.
- Follow all safety rules and regulations; ensure proper housekeeping of area. Maintain updated trainings.

Qualifications:

- At least 5 years of maintenance experience in a manufacturing environment.
- Excellent communication skills

Benefits:

- Medical, Dental & Vision Insurance (DOH)
- Health Reimbursement Arrangement
- Flexible Spending Account
- Short & Long Term Disability
- 401k & Profit Sharing
- Tuition Reimbursement Program
- Paid Vacations & 10 Paid Holidays
- Life Insurance
